Subject: Re: Disclosure requirements

Gary,

I agree with your assessment. As mentioned, I paced a call to the general manager for the building to discuss that exact question. I am waiting for a return call and will try again in the morning if I have not yet received a response.

I will also inquire about obtaining a confidentiality agreement from the managing agent and board in connection with any submissions that must be made.

Best regards,
Ariel

Looking through the docs, it seems as if there is a tremendous amount of data a buyer needs to provide. For the obvious reasons we have discussed, that's not a good idea.

Can you please investigate to what level we can water down these requirements or what type of company structure would shield ys from such requirements.

Awaiting your answer
Thanks
Gary
